CCEKS is an organization of **chamber executives from across the state**, working together to improve the business climate in Kansas, while developing ways to enhance the quality of life in the communities that they represent.

CCEKS **provides leadership** for chamber employees through its many publications and resources. There are many **networking opportunities** with the purpose of bringing executives together to exchange ideas and success stories.

As a private not-for-profit 501 (c)(6) CCEKS operates with the primary goal of serving its membership by **providing excellence in professional development, networking, resource and idea exchange opportunities and grassroots advocacy information and coordination**. Also CCEKS provides guidance and leadership to chambers across the state and the board members who serve in local communities.

Chambers of Commerce provide a **critical link in the communities** they serve working diligently to ensure a sustainable and vibrant business environment for companies to locate, grow and thrive. Additionally, Chambers **coordinate and capitalize on the strengths of their respective communities** to develop ways to enhance the quality of life and create a place where citizens can live productively, contribute positively and collectively become stronger. These efforts lead to stronger people, better communities and the great state we are all proud to call home.
